Penrith CA10 2BH

Dear Member,

What a terrible year we have had, now for some good news. Our 2021-2022 season begins on Friday 17th of September, at the Evergreen Hall, Bluebell Lane, Penrith at 7.30pm. This will be a social evening giving everyone time to get together for a good chat and there will be plants for sale. (If you have any plants for sale please bring them along) tombola, a quiz and refreshments.

Normal monthly meetings are as detailed in the programme I think that this is a varied interesting programme which has been arranged by our acting Chairman Jennifer Watson.

I hope that you will wish to renew your subscription for the coming season and look forward to seeing you again. I enclose a copy of the programme and an s.a.e for your reply. Subscription remains at £10 per person per annum and £2 for visitors per meeting. Payment can be by cash, cheque or BACS.

Members can take part in the monthly plant competition and our plant raffle, borrow books from our extensive library and purchase plants and seeds (when available) Tea and coffee are served after each meeting, friendly advice is always available on growing Alpine Plants.

With Many thanks

Linda Stanton (Membership secretary)

NORTH CUMBRIA ROCK GARDEN GROUP

President Tony Mitchell
